CLYDE FOOTBALL CLUB A PARTNERSHIP OPPORTUNITY WITH A DIFFERENCE.

A RICH TRADITION IN DEVELOPING FOOTBALL TALENT

Clyde Football Club has a proud and longstanding tradition in developing young talent within Scottish Football.

Names such as Steve Archibald, Pat Nevin, Dom Sullivan, Iain Ferguson, Craig Bryson and Gordon Greer all began their accomplished footballing careers at Clyde FC.

AN EXCITING FINANCIAL INITIATIVE

Just like many clubs in this current climate, our financial resources are being stretched to the limit.

We at Clyde FC believe that Scottish Football has an obligation to help discover the stars of the future and we hope you will join us in this exciting initiative for what we are sure will be an exciting journey for both you and the young player you choose to sponsor.

The concept of our partnership programme offers a unique opportunity to assist in the training and development of players under 23 years of age.

HOW IT ALL WORKS

Clyde FC would sign the player on a two year contract, maximizing the potential value of the player and allowing us to nurture his talents.

In a legal and totally transparent agreement, we would seek to fund this initiative with a maximum donation of £5,000 payable to Clyde FC. This payment can be made as a one off payment or spread over an agreed period.

From this sponsor funding, the player will be paid a salary of £100 per week over 44 weeks equating to £4,400. The remaining funds of £600 will be used to help finance the technical, physical, nutritional and conditioning requirements of a modern day footballer. The second year of the contract will be funded by Clyde FC.

In the event of the player being transferred at any time during the 2 year contract, the sponsor would qualify for 50% of the initial transfer fee received by Clyde FC.

I will continue to work with our first team Manager, Jim Duffy to draw up a short list of young talented players during the close season and liaise with you personally to determine which of the youngsters that you would choose to sponsor.

PROVIDING A PLATFORM FOR YOUNG PLAYERS

I am sure that you will appreciate that there are no guarantees in football, but not only are you providing a platform to help a young player fulfill his potential, but equally as important, you will be helping to secure the future of one of Scotland's most historical Football Clubs.

With a wee bit of good fortune, it may turn out to be good for everyone.
